

**GREEN WORKS™**  
**PRODUCT FACT SHEET**

**Green Works™ Overview**

Clorox is leveraging its world-class expertise in the household and professional cleaning category to develop a new platform of natural cleaning products called Green Works™. These products are made with natural, plant-based ingredients and are just as effective as traditional cleaners. Clorox Commercial Solutions® *Green Works* products are a practical way for professionals to create a greener work environment without compromising performance.

*Green Works* products are made from plant-based ingredients derived from coconuts and lemon oil. The ingredients used in *Green Works* products were developed to be sustainable, non-allergenic and biodegradable. *Green Works* products are not tested on animals and are packaged in bottles that can be recycled.

In lab and in-home blind consumer testing, *Green Works* products performed as well or better than the leading conventional cleaners.

The *Green Works* Natural All-Purpose Spray Cleaner, Natural Glass & Surface Cleaner, Natural Toilet Bowl Cleaner, & Natural All-Purpose Dilutable Cleaner products are recognized for using the safest possible ingredients by the U. S. Environmental Protection Agency's Design for the Environment (DfE) Program.

**Green Works™ Products**

The *Green Works* product line includes cleaning products for use in professional settings, including restaurants, hotels, childcare centers and other work environments:

***Green Works*™ Natural All-Purpose Spray Cleaner** works on grease, grime, dirt, soils and messes, and is safe on multiple surfaces throughout the kitchen and bathroom including counters, appliances, stainless steel, sealed granite, chrome, cooktop hoods, sinks and toilets.

***Green Works*™ Natural Glass & Surface Cleaner** cuts through filmy residue, and is safe on multiple surfaces throughout the kitchen and bathroom including glass, mirrors, appliances and stainless steel.

***Green Works*™ Natural Toilet Bowl Cleaner** removes rust, mineral deposits, and hard water, and is safe for plumbing and septic systems.

***Green Works*™ Natural All-Purpose Dilutable Cleaner** works on grease, grime, and dirt, and is safe on multiple surfaces throughout the kitchen and bathroom including non-wood floors, counters, sinks, stoves, garbage cans and toilets.

***Green Works*™ Natural Bathroom Cleaner** works on tough stains like soap scum, hard water, and rust, and is safe on multiple bathroom surfaces, including counters, sinks, tubs, tiles and shower doors.

**Product Availability**

*Green Works* products will be available starting in January 2008. They can be purchased by contacting an authorized Clorox distributor.
