

INTRODUCING

STOKO® Refresh 4 in 1 4 solutions - 1 dispenser

Optimized skin care solutions. One innovative dispenser.

The STOKO® Refresh 4 in 1 dispensing system is the latest cost – cutting innovation from the worldwide leader in skin care solutions. Now, one durable, attractive, easy - to - use and economical dispenser is all you need for all of your hand hygiene programs.

One dispenser works with four systems

Thick **foam** encourages frequent washing – environmentally friendly and easy on your budget

Concentrated **spray** cleansers and sanitizers deliver superior STOKO quality at the lowest cost per use

Mild **liquid** cleansers are ideal for use in high – traffic or high – volume work areas

Hand sanitizing **gel** effectively sanitizes hands without water, killing 99.99% of germs that can cause illness

Flexible

- Switch product type at any time
- Easy to operate dispenser, quick to refill
- Secure key–entry or convenient keyless
- Can be customized with customer’s logo

Economical

- Low cost per use
- High use per refill

Durable

- Sturdy, high impact dispenser housing
- Low maintenance, clean design

Better for the environment

- Environmentally preferred ingredients
- Conforms to recognized ecological standards
- Fully recyclable bottles and pumps

Streamline. Simplify. Save.

- Save time and money
- Simplify your purchasing
- Streamline your inventory
- Competitively priced refills
- Improve cash flow – less inventory to carry
- You always have the right dispenser at hand
